## **II. FACTS**

8. Metro PCS is a business establishment and place of public accommodation in Laredo, Texas. Metro PCS is situated on real estate, property, and improvements owned, controlled, managed, and leased out by H & Sons, LLC

The access ramp improperly extends into the access aisle. Lastly, the access aisle is regularly blocked by the tenant retailers.

11. The Plaintiff went to METRO PCS property in September of 2020.

12. In encountering and dealing with the lack of an accessible facility, the Plaintiff experienced difficulty and discomfort. These violations denied the Plaintiff full and equal access to facilities, privileges and accommodations offered by the Defendant. Plaintiff has the intent to return to the Metro PCS.

13. Additionally, on information and belief, the Plaintiff alleges that the failure to remove the barrier was intentional because: (1) this particular barrier is intuitive and obvious; (2) the Defendant exercised control and dominion over the conditions at this location and, therefore, the lack of accessible facilities was not an "accident" because Defendant intended this configuration; (3) Defendant has the means and ability to make

the change; and (4) the changes to bring the property into compliance are “readily achievable.”

14. The Defendant’s Laredo location does not have the required number of ADA parking spaces. With 26-50 parking spaces, Defendant must have two ADA-compliant disabled parking spaces including one ADA-compliant Van Accessible space (96” Wide with 96” Side Access Aisle). This space must be located close to the entrance of the business. *See* pictures above, and **Exhibit 1**.

15. At the Defendant’s property in Laredo, there is no ADA-Compliant Van Accessible space. The access aisle is uneven and has a slope that exceeds 1:50. The access ramp improperly extends into the access aisle. Lastly, the access aisle is regularly blocked by the tenant retailers.

16. The Americans with Disabilities Act (ADA), 42 U.S.C. §12101, has been federal law for 30 years.

### **III. CAUSE OF ACTION - VIOLATION OF THE AMERICANS WITH DISABILITIES ACT OF 1990, 42 U.S.C. § 12101**

17. Plaintiff repleads and incorporates by reference, as if fully set forth again herein, the allegations contained in all prior paragraphs of this complaint.

18. Under the ADA, it is an act of discrimination to fail to ensure that the privileges, advantages, accommodations, facilities, goods and services of any place of public accommodation is offered on a full and equal basis by anyone who owns, leases, or operates a place of public accommodation. See 42 U.S.C. § 12182(a). Discrimination is defined, inter alia, as follows:

a. A failure to make reasonable modifications in policies practices, or

procedures, when such modifications are necessary to afford goods, services, facilities, privileges, advantages, or accommodations to individuals with disabilities, unless the accommodation would work a fundamental alteration of those services and facilities. 42 U.S.C. § 12182(b)(2)(A)(ii).

b. A failure to remove architectural barriers where such removal is readily achievable. 42 U.S.C. § 12182(b)(2) (A)(iv). Barriers are defined by reference to the ADAAG, found at 28 C.F.R., Part 36, Appendix “D.”

c. A failure to make alterations in such a manner that, to the maximum extent feasible, the altered portions of the facility are readily accessible to and usable by individuals with disabilities, including individuals who use wheelchairs or to ensure that, to the maximum extent feasible, the path of travel to the altered area and the bathrooms, telephones, and drinking fountains serving the altered area, are readily accessible to and usable by individuals with disabilities. 42 U.S.C. § 12183(a)(2).

19. Pursuant to 28 C.F.R., Part 36, Appendix D (herein after “1991 Standards”), section 4.1.2, and 36 C.F.R., Part 1191, Appendix B (herein after “2010 Standards”), section 208.2, if a business provides between 26 and 50 parking spaces, Defendant must have at least two ADA-compliant disabled spaces including one ADA-compliant Van Accessible space (96” Wide with 96” Side Access Aisle) near the business entrance. *See Exhibit 1.*

20. Here, the Defendant did not provide a sufficient number of ADA-compliant parking spaces in its parking lot, although doing so is easily and readily done, and therefore violated the ADA. At the Defendant’s property in Laredo, there is no ADA-Compliant Van Accessible space. The access aisle is uneven and has a slope that

exceeds 1:50. The access ramp improperly extends into the access aisle. Lastly, the access aisle is regularly blocked by the tenant retailers. This is a violation of the law and is discriminatory.

#### **IV. RELIEF REQUESTED**

##### **Injunctive Relief**

21. Mr. LIMAS will continue to experience unlawful discrimination as a result of Defendant's refusal to comply with the ADA. Injunctive relief is necessary so he and all individuals with disabilities can access the Defendant's property equally, as required by law, and to compel Defendant to repave and restripe the parking lot to comply with the ADA. Injunctive relief is also necessary to compel Defendant to keep the property in compliance with federal law.

##### **Declaratory Relief**

22. Mr. LIMAS is entitled to declaratory judgment concerning Defendant's violations of law, specifying the rights of individuals with disabilities to access the goods and services at the Defendant's location.

23. The facts are undisputed and Defendant's non-compliance with the ADA has been proven through on-site photographs. Plaintiff proves a *prima facie* case of ADA violations by the Defendant.

##### **Attorneys' Fees and Costs**

24. Plaintiff is entitled to reasonable attorneys' fees, litigation costs, and court costs, pursuant to 42 U.S.C. §12205.

## V. PRAYER FOR RELIEF

THEREFORE, Mr. LIMAS respectfully requests this Court award the following relief:

A. A permanent injunction, compelling Defendant to comply with the Americans with Disabilities Act; and enjoining Defendant from violating the ADA and from discriminating against Mr. LIMAS and those similarly-situated, in violation of the law;

B. A declaratory judgment that Defendant's actions are a violation of the ADA;

C. Find that Mr. LIMAS is the prevailing party in this action, and order Defendant liable for Plaintiff's attorneys' fees, costs, and litigation expenses; and,

D. Grant such other and additional relief to which Plaintiff may be entitled in this action.

Respectfully,
